8 Stephenson's Place,  
FERN TREE TASMANIA

Enjoy the beauty of botanical art, with a subject of your choice. Explore pencil and watercolour techniques, including the principles of tone, highlights, shadows, form, texture, composition and perspective.

Learn the techniques of mixing, layering and glazing to make your colours glow and sing. Work at your own pace with individual tuition and class demonstrations. Learn how to create three-dimensionality in your work and how to achieve a professional finish. Develop new skills or extend existing skills.

Leonie Norton is a renowned Sydney artist and one of Australia's most prominent, highly qualified and experienced botanical art educators. She is highly regarded in her field and exhibits and teaches regularly in Australia and overseas, where her paintings can be found in public and private collections. She is past President of the Botanical Society of Australia and is a member of the prestigious Florilegium Society of

the Royal Botanical Gardens, Sydney.
